Dear Sir/Madam,

Subject: Updates pursuant to Regulation 30 of SEBI (LODR) Regulations, 2015

Pursuant to Regulation 30 of SEBI (Listing obligation and Disclosure Requirement) Regulations, 2015, we are pleased to inform that we have manufactured and supplied the first 2 Air Vessels from our plant each of 103 cubic meter capacity & weighing over 26 tones each for Jaiprakash Associates, Delhi, for their Naigarhi-1 Lift Irrigation Scheme project of Narmada Valley Development Authority, Govt. of M.P.

With this development we are now in a position to offer alternative technology to our Zero Velocity Valves being offered earlier to our clients. This allows us to offer more options to clients for water hammer control requirements for long distance pipelines.

We have already received order for 2 nos. Air Vessels from L&T Construction, Chennai, 1 Nos. Air Vessel from Radhe Construction, Ahmedabad, and 4 nos. Air Vessels from Indian Hume Pipe, Mumbai, thereby consolidating our entrance in this product segment.

The details as required under SEBI Circular dated 09th September, 2015 are as follows:

Sr. No.	Details of events that needs to be provided	Information of such event
1.	Name of the product	Air Vessels
2.	Date of Launch	06.04.2022
3.	Category of the product	For Water Supply and Irrigation pipelines
4.	Whether Caters to Domestic / International Market	Domestic and International markets
5.	Name of the countries in which the product is launched (in case of international)	Not Applicable

You are requested to take the same on record.

Thanking you,

Yours faithfully,
for JASH Engineering Limited
